1. Order No. FRC 50/23/PHARMACY/KSSPCMA dated 27.12.2023
2. Lr. No. KSSPCMA/AFRC/021/2024 dated 15.06.2024 from the President of KSSPCMA
3. Meeting of the Fee Regulatory Committee held on 03.07.2024

ORDER

☞ Kerala State Self Financing Pharmacy College Management Association, hereinafter referred to as the Association, representing 37 Pharmacy Colleges conducting various Pharmacy courses for the academic year 2024-25.

2. President of the Association by communication dated 15.06.2024 has submitted a proposal before the Fee Regulatory Committee, hereinafter

referred to as, for short the Committee, for regulating the tuition fee and special fee in respect of the member colleges that come under the Association for Pharmacy Course for the academic year 2024-25.

3. On preliminary scrutiny of the proposal, it was found that the Association has requested the Committee to regulate the fee structure for the academic year 2024-25 by applying CPI in existing fees structure which was allowed by the Committee in the previous academic year.
4. The aforementioned fee proposal was placed in the meeting held on 03.07.2024. On detailed scrutiny of the proposal made by the Association, it was decided to allow the fee proposal and to regulate the fee structure after allowing the C.P.I.
5. Having decided to accept the above proposal, Committee collected information with regard to the percentile of CPI to be applied to the fact situation. According to the information published by the Ministry of Statistics and Programme Implementation, Government of India, in the website on 12.08.2024 showing the year-on-year inflation rate, i.e., from July 2023 Index (final) to July 2024 Index (Provisional) the Combined inflation Rate (%) based on CPI is 4.51% for Kerala. As per the guidelines issued by National Medical Commission, in cases where the percentage is less than 5%, it would be just and reasonable for the Fee Regulatory

Committee to regulate the fees by granting an increase of 5% to the existing fees. Hence, the Committee comes to the unanimous opinion that 5% increase can be granted to the existing fees and that the fees for the present academic year can be regulated accordingly. The enhanced rate of fee by 5% will apply to the tuition fee and the special fee payable by the Pharmacy students of 2024-25 batch, both general and N.R.I. It is so ordered.

6. In the light of the above discussion, Committee allow an increase of 5 % in the annual tuition fee and the special fee for entire Pharmacy Courses for the academic year 2024-25. The calculation table of the fee structure for each course are given hereunder:
